

APPLICATION

Suitable for permanent or semi-permanent use. Option of black carpet stage top, this stage is perfect for corporate events.

NEEDS ASSESSMENT

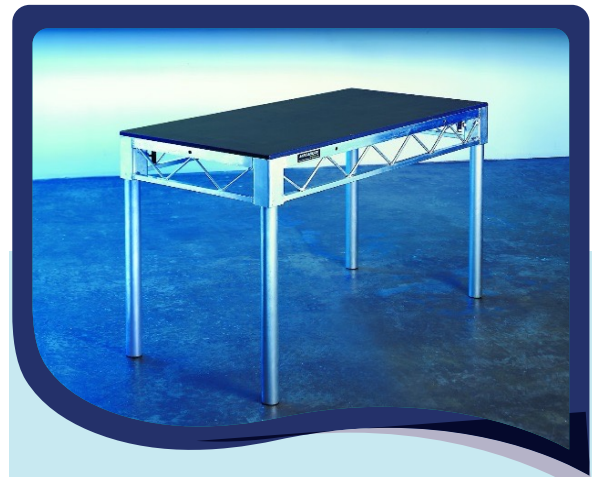

- **ACCESSIBILITY** - Go anywhere stage means that it will fit in any goods lift, van or tight space.
- **OUTDOOR STAGING** - Requiring durable staging in all weather conditions.
- **SPEECH STAGES** - Well suited for private or corporate speeches. Simply add extra stages if accommodating lecterns or seating for guest speakers.
- **CAMERA & JIBS** - Perfect sized stages for camera & operator platforms for filming in a variety of locations.
- **COMPATIBLE** - This stage can be used in conjunction with other Megadeck stage pieces for various configurations.
- **HOSTING POSITION** - Great for elevated audience or performance staging.

TECHNICAL DIAGNOSTICS & SPECIFICATIONS

Routed timber top edges ensure a safe and smooth finish. Precut connection points on all four sides of the Megadeck allow for modular stage configurations. Secure stage legs with star bolts make for quick and easy installations. Stage legs with black end caps for protection of flooring.

RATINGS AND WARRANTY

Every Megadeck stage is made in Australia and constructed from locally sourced materials. Our workmanship is backed by a 12 month warranty on new purchases and a life time's manufacturer's guarantee. Megadeck stage units are rated by Test Safe Australia as a seal of approval and for your peace of mind.

Simple to use, lightweight in construction and extremely versatile. Ideal for use in the AV industry with an emphasis on compact and practical staging.
